

Budget and Results Accountant

OmniGlobe Networks Inc. (www.omniglobenet.com) is a leading provider of broadband internet satellite and wireless systems, and cellular based services with satellite backhaul, with its own proprietary network management solutions designed to perform network management, network monitoring, and bandwidth optimization. We are one of the fastest growing companies in Canada and are backed by the Business Development Bank of Canada (BDC).

We are seeking a Budget and Results Accountant to assist the CFO with the preparation and distribution of timely, accurate and appropriate financial information to facilitate executive decision making and fulfill statutory requirements. This position is key to ensure that our business growth objectives are met.

Responsibilities:

- Provide timely, accurate, relevant and reliable on-going monthly, quarterly and annual financial information
- Gathering data, generate reports and prepare schedules for analysis.
- Financial modeling.
- Budget preparation and Cash flow forecasts
- Assist with Financial and Operational analysis for future and special projects
- Assist with the preparation of the annual audit file.
- Practice continuous improvements by analyzing internal processes and being alert for innovative opportunities in daily work

Qualifications:

The ideal candidate is someone who is highly motivated self starter who has demonstrated success in a fast paced environment. This individual should be able to continually innovate and must be able to motivate individuals to perform to the best of their ability.

- University degree combined with significant progress towards a professional accounting designation (CA CMA or CGA) or MBA.
- Minimum of 3 years experience with Budgeting and Results Analysis and financial analysis and cost management,
- Demonstrated experience using and maintaining Excel models and other MS office applications.
- Solid analytical skills and attention to detail, with a proven ability to implement new processes and improve efficiencies.

- Knowledge of Dynamics GP software (formerly Great Plains)
- Excellent written, verbal and presentation skills
- Teamwork-oriented, thriving in early stage environments
- Ability to manage own work effort, prioritize tasks and be proactive on following up issues.
- Government contract exposure an asset.
- Willingness to travel for business purposes
